

B.U.I.L.D. Minutes  
January 9, 2007

Thought for the New Year.....  
Resolve to make at least one person happy every day,  
and then in ten years you may have made  
three thousand, six hundred and fifty persons happy,  
or brightened a small town by your contribution  
to the fund of general enjoyment.  
Sydney Smith

**Old Business:** The fireworks display was discussed. The cost of \$3,500 was agreed to be a lot of money for one event and suggested that maybe the JayCees and the City could share the cost. John Harrington will talk to the JayCees about that possibility and report next month.

**Spotlight Business of the Month:** The City of Louisville was selected to be featured this month. Dee updated B.U.I.L.D. on the current city projects, including the water system, industrial park and potential downtown business parking.

**Welcome Committee:** No report.

**Events Committee:** Nancy M. and Dee reported that Ringing in the Season was a great success. Mike Krambeck noted that it turned out to be beneficial having the event on a home basketball night and should consider that again. It was agreed to continue with the Last Hot Sunday in July event so advertising will begin. Members were asked to brainstorm ideas to coordinate with the opening of the Cedar Creek baseball complex. It was mentioned that the JayCees would like a committee from B.U.I.L.D. to coordinate Louisville Daz events.

**Economic Development Committee:** John reported, mentioning the industrial park progress, the possible need for public restrooms downtown, additional downtown public parking, the progress of the Louisville South Bypass and the need for a current city survey.

**Presentation Committee:** No report.

**Marketing Committee:** Allison will be taking over this committee from Lexie. She is preparing a grant application for 2007 events.

**New Business:** Sheriff Bill Brueggemann gave a very informative presentation on business theft and burglary, giving examples and real-life scenarios.

The meeting was adjourned.

The next meeting will be **February 6, 2007** at the Louisville Assisted Living Facility.
