

Treasurer's Report: No report.

CITY REPORT: No report.

OLD BUSINESS:

WELCOME PACKAGE: Lynn presented a sample Welcome Wagon Bag. Getting good response from businesses.

NEW DENTIST: New Awning looks great. Planning to open in Mid March

TOURISM FUNDS: Need to follow up on this. Will try to get a representative from the group to our next BUILD meeting.

NEW BUSINESS:

Heard from Representatives from ASH GROVE on their pursuit of using TDF (tire derived fuel) at their Louisville Plant. Watched video on the proposal. NEBR DEQ is to hold a local informational meeting in Louisville (in FEB ?) to measure local support. ASH GROVE is willing to invest \$300,000 to test the process, but needs a Variance Permit from DEQ first.

Lynn submitted application to EPA for a \$5,000 GRANT for new trash containers for main street. Will hear by 2-27.

Lewis & Clark Event: Received word that Louisville will host 4 weekly events (the same night fro 4 consecutive weeks) this summer.

Harringtons put together a BUILD web site linked to the city. Please give feedback to the Harringtons.

Heard from Sherry Ashenbrenner from Camp Kitaki about possible summer programs for Louisville youth. They are in the process of conducting a survey to measure the desires and demand for events. More next month.

Next Meeting 3-2 at 7:30 AM at Sr Center.

John Plucknett  
Secretary.
