Old Business: Terri reported for the Hurricane Katrina victims assistance project team. B.U.I.L.D. contemplated undertaking. Decided by the original members of clean-up group that this was too massive of a project for B.U.I.L.D. to handle. Will discuss again at a later date.

Treasurer's Report: Amount in fund/account reported.

Welcome Committee: Carla Knott, Chairperson. Terri reported in Carla's absence. A dozen Welcome Bags readied this past moth. Todd Joyce of "Expert Pool & Spa" would like to postpone his coffee until April or May.

Events Committee: Nancy McManus and Dee Arias Co-Chairpersons. Informational Coffee, to welcome of the public, was deemed a great success. The March 7th Meeting, which will be held in the evening at 7:00 P.M. - Senior Center will include open membership. A Grant was applied for and received in the amount of \$2500. Louisville Daz Parade Theme Contest was announced.

Economic Development Committee: John Plucknett, Chairperson. Terri reported in John's absence. Progress has been slow in the securing of an Industrial Site project.

Presentation Committee: Maureen Gulizia, Chairperson. She may have access to a "Ball" type "Boom" Truck to assist with the lighting maintenance of the buildings. City Employees are not interested in helping with the lighting. Suggested perhaps Jaycees would help with this project. Terri will contact them with this proposal. Was proposed lights be updated/replaced prior to the Memorial Day Week-end. Discussed replacing of some of the flags on Main Street. Perhaps businesses will pay for flag replacements. A similiar program has been conducted in Beatrice, Nebraska.

Marketing Committee: Lexie Scholting, Chairperson. Terri reported in Lexi's absence. Suggested the group slogan to be: "Toether We Can Make It Happen." No other news.

New Business: BBQ Team Champion Contest; Uncle Ernie's would like to help organize this week-end event. Discussed what week-end would be best to hold event.

Group decided the "Last Hot Sunday in July" would work best, rather than Louisville Daz week-end. Terri will check into this event.

Meeting Adjourned.
